公益金賣旗日

於 2011 年 11 月 19 日早上，玫瑰崗舊生會的二十名義工聯同玫瑰崗學校(中學部)的同學在銅鑼灣一起參與公益金「賣旗日」籌募善款。

由於當日有許多義工隊的參與，要成功賣出一支旗並不容易。但經各義工和同學們一整個早上的努力，他們最終還是成功籌得相當可觀的善款。在此，我們向他們當天付出的時間和努力致謝，希望其他校友和同學會繼續以愛去關心和服務社會。

In the morning of 19 November 2011, a team of 20 RHSOSA volunteers joined Rosaryhill School (Secondary Section) to raise funds for The Community Chest by selling flags in Causeway Bay.

Due to the other volunteer teams trying to sell flags in the same neighbourhood, it was quite a challenge for our volunteers and students to sell flags that morning. However, they still managed to raise a remarkable amount of funds for the Community Chest. RHSOSA would like to thank them again for their time and efforts and we hope our members will continue to serve the community with love and care.

聖誕慈善午宴

本會在 2011 年 12 月 18 日在中環荷里活道的紅磨坊餐廳，舉行了一次「聖誕慈善午宴」，有超過三十名校友參加。大家除享用佳餚外，亦透過問答遊戲了解到在很多貧苦的落後地方，還有很多人會因飢餓而死亡或因喝下受污染的水而生病。

此外，當日亦有即場義賣由校友們自家製作的愛心曲奇餅和拍賣由熱心朋友們所捐出的薑餅屋和私人珍藏，反應熱烈令善款倍增。是次活動在扣除午餐費用後，本會已將總數港幣八千元的收益捐往樂施會，希望透過樂施會將我們的小小心意幫助貧困人仕，改善他們的生計和生活，並灌輸正確的衛生常識。

Over 30 Rosarians joined the meaningful Christmas Charity Lunch held at La Cuisine Rouge on Hollywood Road on 18 December 2011. Instead of having a heavy Christmas dinner, participants enjoyed a light but delicious Christmas lunch and at the same time appreciated that many people in different parts of the world were still starving to death or getting sick after drinking polluted water.

More funds were raised through sales of home-made cookies and auctions of a ginger bread house and souvenirs donated by Rosarians. A sum of HK\$8,000 was raised and donated to Oxfam, which engages in helping the poor people to find a healthier life, better livelihoods, and better hygiene.

「麥當奴叔叔之家」嘉許「玫瑰崗舊生會」

在過去三年玫瑰崗舊生會多次到訪「麥當奴叔叔之家」為該處居住的病童及他們的家人提供「愛心聚餐」義工服務，而我們的服務一直深受該處癌病兒童及其家人所歡迎和欣賞。「麥當奴叔叔之家」於2012年2月11日在尖沙咀某酒家舉行了「義工嘉許日」，並在當天的義工嘉許儀式中頒發了一面錦旗給予「玫瑰崗舊生會」以答謝及表揚玫瑰崗舊生會的愛心關懷。在此，舊生會感謝一眾曾經參與此服務的校友，我們實在感到非常鼓舞，並以你們為榮，希望日後能繼續得到各位支持，為社會作出貢獻，發揮玫瑰崗關心社群的精神，將愛心傳揚至每一個角落！

For the past three years, RHSOSA has paid a total of five visits to Ronald McDonald House ("RMH"), a charitable organization near Prince of Wales Hospital, where they provide temporary lodging and mental support for sick children and their families. In four of the five visits, we went there to prepare meals to share our care and love with the sick children and their families, so that the parents of those sick children can have time to rest or they can get to spend more time with their children. The good work of RHSOSA was recognized by RMH and on 11 February 2012 we were invited to attend its Volunteer Appreciation Day. On behalf of RHSOSA, our president David Chow, together with Helen Cheung and Edward Ng attended the ceremony and they were presented a flag by RMH for the recognition of RHSOSA's good work for the past three years. RHSOSA takes this opportunity to thank all volunteers who have participated in this programme and we look forward to seeing both old and new volunteers in the next visit to RMH.

「啟導同行」

2011-12 Mentorship Program Launched

2011-12 年度「啟導同行」師友計劃已於 2011 年 11 月 5 日展開。本年度共有二十二位學長與三十八位中五學生參與此計劃。

在 Ms Evy Cheung 介紹「啟導同行」計劃及本年度活動安排後，每組學員跟學長分別通過互動遊戲與討論認識和加深了解，亦很期待下一次的活動。

The 2011-12 Mentorship kick-off event took place at the School Campus on 5 November 2011. In this year, there are 22 mentors and 38 S5 students participating in the program.

The event started with Ms Evy Cheung giving an overview of the program structure and activity schedule, followed with the

announcement of the Mentors-Mentees matching result.

To enable mentors and mentees to mingle and get to know each other better, through an ice-breaking game they formed teams to find solutions to questions and puzzles. One of the interesting requirements was to build the tallest erected structure out of a pile of newspapers. After the game, we had a round table sharing session for the mentees and mentors to get to know more about each other.

BBQ + Ball Games

On 3 December 2011, about 50 mentors and mentees joined the ball games at the Disciplined Services Sports & Recreation Club in Causeway Bay, followed by BBQ at the School Campus in the evening.

In the first hour, participants were divided into two groups for badminton and bowling competitions. Afterwards, 11 mentorship groups formed two basketball teams and played against each other. The competition was intense and the game was so exciting. With the shouts and applause from the cheering teams, the players did not disappoint the audience, they kept on

shooting and scoring points. The scores were so tight and the speed of the game was so fast. One could not imagine that the mentors could play so energetic as the youngsters. What a remarkable game that everyone would talk about it for ages!

Following the ball games, we had BBQ in RHS, in what was previously the Girl's section morning briefing area. In the BBQ, we had quality chat time with each other.

After this event, we have gained deeper understanding amongst each other. The mentees have a better understanding of our work, and the mentors have a better understanding of the mentees study goals and future desires.

Lastly, thanks to Benjamin, who had helped with reserving the recreation club for all the ball games.

NT Outing

於 2012 年 2 月 5 日，差不多五十多名參加「啟導同行」計劃的同學與學長一起離開都市，跳進大自然學習生態保育及有機耕種。

第一站是位於天水圍的香港濕地公園。一進入園內便探訪了大家熟悉的鱷魚「貝貝」。沿途我們由生態導遊講解生態保育的意義和紅樹林及濕地所發揮的作用。在紅樹林浮橋兩旁的泥灘上，大家可留意到一些彈塗魚在濕泥中彈出彈入。到達觀鳥屋後，大家靜靜地搜尋著候鳥。當天大家可看見來港過冬的蒼鷺、黑面琵鷺、小白鷺等。逗留一個多小時後，一眾活動參加者便乘旅遊巴士前往流浮山食盤菜作午餐。

流浮山以出產蠔和海鮮為名，但這次大會安排的午餐是新界名物—盆菜。雖然如此，原來有些同學從來未有吃過這麼大盆的盆菜呢，對他們來說真可算是大開眼界。餐後大隊到流浮山的市集購買地道小吃或土特產作手信。此外，岸邊擺放着大批牡蠣曬乾成蠔豉，蠔販用純熟的技巧取出新鮮肥美的蠔肉，令人垂涎三尺。在流浮山還能眺望對岸發展迅速、高樓處處的深圳市。

午飯後，大家到位於粉嶺的「綠田園」有機農場參觀，學習一些最基本、最安全、最健康和最環保的耕種方法。隨著化學肥料及化學農藥的發明，今日的常規耕種方法，已大量使用這些化學物。這些東西雖然可以產生迅速的效果，但它們對人體有害，而且也會污染環境，擾亂生態，加劇水土流失，令泥土營養持續下降。此外，現時以基因改造技術生產蔬菜的研究，尚未到達成熟的階段，當中仍有不少可爭議的地方，最近亦已陸續發現一些基因改造的食物可能危害人類健康及生態環境。因此是次在「綠田園」參觀後，大家對有機耕種的好處有著新的認識和了解。

On 5 February 2012, about 50 mentors and mentees stepped out of the city to visit the beautiful nature to learn eco protection and organic farming.

The first designated stop was Hong Kong Wetland Park in Tin Shui Wai. Entering into the park, there we met the famous little crocodile, Pei Pei. During the tour, our eco tour guide gave us detailed explanation on eco protection and various functions of mangrove and wetland. On the two sides of the mangrove floating bridge, we were delighted to see a large number of mudskippers skipping in and out of the mud. At the bird watch station, we quietly searched for the migrant birds and finally we saw some grey herons, black-faced spoonbills and little egrets. After spending more than an hour in the park, we travelled to Lau Fau Shan for lunch.

Although Lau Fau Shan is most famous for the nurturing of oysters and seafood, we arranged the group to have another famous culinary dish of the New Territories, Pun Choi. For the mentees who had never tried Pun Choi before, it was a great opportunity for them to learn more about this special dish that had been served to the last emperor of Sung Dynasty. After lunch, both mentors and mentees either went to the local market shopping for local snacks and produce or wandered along the shore where thousands of fresh oysters were placed under the sun for drying to produce dried oysters. We could see workers skillfully opened the oyster shells to pick out the oysters, which looked very delicious already. Moreover, we could look across Shenzhen Bay, where we could see Shenzhen rapidly developing with more and more skyscrapers.

The last stop of our visit was to an organic farm in Fanling managed by Produce Green Foundation. During the trip, both mentors and mentees learned a great deal about organic farming and its benefits. Since chemical fertilizers and pesticides were invented, current farmers who use conventional farming method have widely adopted such artificial inputs. Such artificial chemicals may induce quick results; however, they also damage human health, pollute environment, disturb ecosystem, intensify erosion and reduce soil fertility. Moreover, there are still lots of controversies over manipulating our food by using biotechnology and genetic engineering especially many potential problems have yet been found. Recently, some genetically modified organisms have been found to cause adverse side effects on human health and environment. After this tour, we all gained deeper insight on eco protection that we all bear responsibilities to protect this world.

Workshop

去年 12 月，我和拍檔歐陽媛為學員 Ide、Jessie、Nana 和 Mandy 安排了一個「認識自己」工作坊。

在工作坊中，我們讓各位學員分享了解自己的過往，和一些對自己影響較深刻的事，期間媛子和我主要就「待人接物及如何看待自己」作出回應。

工作坊順利舉行，各學員亦相當投入；期望再有機會跟四位後進再有深入溝通。以下是工作坊的程序、部份內容：

- 同學互相協助，為對方勾勒出身型。
- 同學在自己的身型上寫出優點/缺點等內容。
- 寫好後，分別貼在牆上或放在地上。
- 每位必須仔細觀察自己和別人的作品。

永遠懷念 · 謝天仁神父

Interment of Fr Lionel Xavier's Ash

在剛過去的 1 月 15 日早上，舊生會安排二十多名舊生及十多名玫瑰崗的教職員前往澳門聖道明會院出席道明會為謝天仁神父舉行的週日彌撒和骨灰甕安置儀式。由於在海上遇上濃霧，一小時的航程要兩個多小時才能抵達澳門，幸好大家最終能趕在彌撒結束前到達聖道明會院。

當天的彌撒由多位澳門道明會的神父聯合主持，其中包括聖母玫瑰會省會長夏威略神父 (Fr. Javier Gonzalez Izquierdo)。在彌撒尾聲，道明會為謝天仁神父的骨灰特別舉行了一個簡單而隆重的骨灰甕安置儀式，將其骨灰甕安放在澳門聖道明會院聖堂內新設置的骨灰靈位。儀式結束後，各參加人仕還在聖堂內為是次活動拍照留念。

隨後，一眾參加者轉到一所謝神父生前經常光顧的澳門葡萄牙餐廳午膳。午飯期間，大家均十分享受由蘇輝道神父 (Fr Alex) 為大家點的澳門式葡國菜。因天氣關係，大會取消了原本在午膳後參觀澳門聖保祿學校的行程，並提早結束是次活動。

如日後各位想到澳門聖道明會院向謝神父的靈位致敬的話，歡迎以電郵方式 salcedoalejandra@hotmail.com 跟蘇輝道神父 (Fr Alex) 聯絡安排。

On 15 January 2012, OSA organized about 20 alumni and about 10 Rosaryhill School's staff and teachers (current and retired) went to Macau to attend the Sunday Mass and the interment of Fr Lionel Xavier's ash at St Dominic's Priory. Due to dense fog the turbojet took an extra one and half hour to complete the one hour trip from Hong Kong to Macau. Fortunately, the group eventually managed to arrive at the priory before the end of the Mass.

The Mass was conducted jointly by a group of Dominican Fathers including Fr Javier Gonzalez Izquierdo, Father Provincial of Dominican Church in Asia, with a special theme dedicated to our beloved Fr Lionel Xavier, which was followed by a simple but solemn ceremony for the interment of Fr Xavier's ash.

After the ceremony, the group had lunch at a Macanese restaurant which was often patronized by the late Fr Xavier for lunch. The group enjoyed the Macanese culinary dishes ordered by Fr Alex (Fr Alejandro Salcedo) thoroughly. Due to poor weather, the original visit to St Paul School was cancelled and the Macau visit was ended earlier than scheduled.

Lastly, Fr Alex noted that everyone is welcome to go to St Dominic's Priory to pay respect to Fr Xavier in front of his urn. Should you be interested to do so, please email Fr Alex in advance at salcedoalejandra@hotmail.com to make relevant arrangements.

Overseas Memorial Mass

對於謝天仁神父的離世，旅居於海外的校友們頗為震驚。為了表達對謝神父的思念，不同地區的校友們均舉辦了謝神父追思彌撒。

在 2011 年 10 月 29 日和 12 月 5 日，加拿大多倫多市的校友們，參加了在天主教中華綯道聖人堂和聖玫瑰天主教堂為謝神父而舉行的追思彌撒。

The pass away of Fr. Lionel Xavier was a shock to our alumni living in overseas. Several Memorial Masses were held in memory of Fr. Xavier.

In Toronto, two Memorial Masses were held. The first one was held at The Chinese Martyrs Catholic Church on 29 October 2011, and the second one was held at The Holy Rosary Catholic Church on 5 December 2011.

在十月尾，加拿大溫哥華市的校友們亦舉行了一場追思彌撒。 Alumni from Vancouver also held a Memorial Mass at end of October 2011.

品酒系列：波爾多葡萄酒初階(第二班)

由於 2011 年 8 月 6 日的「波爾多葡萄酒初階」課程很受歡迎，因此本會誠邀郭偉信先生於 2011 年 10 月 8 日在法式牛扒屋加開一班，讓校友認識法國波爾多獨特的地理環境、釀造各類葡萄酒的程序及波爾多葡萄酒的特性。

是次反應仍然非常踴躍。除了學習「波爾多葡萄酒初階」，校友亦品嚐了數款波爾多出產的白酒、紅酒及甜酒，並分別與生蠔、西班牙黑豚辣肉腸、澳洲和牛扒及鵝肝醬等美食配搭。課後，每位參與者均獲得由法國波爾多葡萄酒協會所頒發的出席證明書。

The above course was successfully held on 6 August 2011. In order to satisfy the overwhelming demand, Mr. Wilson Kwok has kindly conducted a re-run of the course in the afternoon of 8 October 2011 at W's Entrecôte le steak house. The course included an explanation of the peculiar geographical location of Bordeaux, the differences in the procedures of making different kinds of wines, and the characteristics of Bordeaux wines.

It was a full house again. Apart from learning the basic course of Introduction to Bordeaux Wines, alumni learned how to get the best of the wines with an appropriate combination of food, such as oyster with white wine, salami and entrecote with red wine, and foie gras with sweet wine. After class, each participant received an attendance certificate issued by Comité Interprofessionnel des Vins de Bordeaux.

小學部 “西班牙語/英語” 雙語課程

小學部將於 2012/13 學年為小一及小二推行特為以西班牙語為母語的學童而設的“西班牙語/英語”雙語課程。這課程每星期以西班牙文教授五節(每節 50 分鐘)的西班牙語和一節以“我們的環境”為主題的課堂。如果效果良好，此課程將延伸到小學高年級和中學部。設立此課程的目的，是希望以西班牙語為母語的小孩能夠在英式教育制度下，達到與在其他操西班牙語國家之學童同等西班牙語語文水平，同時能學習中國語文。
